Govt. of India Notification.

Pay and Allowances.

Travelling.

The 8th March 1877.

No: 1457. The Governor-General in Council is pleased to decide that when any public officer is compelled to leave a station where there is no medical officer, on orders to procure medical advice, he may draw travelling allowance at the ordinary rates to and from the station where the nearest civil medical officer is located.

Bills for travelling allowance drawn under these orders must be countersigned by the medical officer consulted, who must certify that the journey was, in his opinion, absolutely necessary. Supervising officers must take care that no undue advantage is taken of this privilege. Halting allowance may not be drawn while the officer is at the medical officers.

officer's station, and if the absence of the sick officer from his station be prolonged, he should be required to take leave on Medical Certificate.

The Chief Secretary to
His Excellency the Governor of
Madras

Sir

I beg that you will kindly
place this letter before His Excellency the
Governor in Council, with a request that he
will be pleased to sanction my travelling
allowance and batta allowed by the
acting permanent Surgeon of Madras, as
per his letters dated 21st June and 30th July
December 1880 and drawn under the following
circumstances.

In 1878 I was ordered by the Deputy
Inspector General Indian Medical Department
to appear before a medical Board. In the
order to this order I proceeded to
Vizagapatam, and although I was con-
sidered fit for further service by the
board I was ordered to send in my pa-
per for pension. Having been ordered
on duty I drew the travelling allowance
and batta, amounting to Rs. 70/-. I had
hitherto done and allowed to the permanent
Medical Officer. This amount was paid
to me in September of that year and the
acting permanent Surgeon of Madras, now
after a lapse of 2 years, calls upon me
to refund the same and has deducted it out
of my small pension, on the plea that the

same is "inadmissible."

I respectfully beg to submit that I am entitled to draw the bounty in as much as my going to Singapore was on duty and in obedience to the express orders of the Deputy Surgeon General Indian Medical Department. I had hitherto drawn the allowance and bounty on several occasions when I proceeded to Bunderpore and Calcutta on duty and which were never retracted and considered inadmissible.

I would further beg to say that the retraction of this bounty now out of my small pension of 145 Rupees will work a very great hardship on me and my family and I respectfully beg therefore that under the circumstances His Excellency in Council will be pleased to grant the allowance and order the refund of the bounty retracted.

I beg to remain
