Reg. Rieley

Colonel Garrison's Son

R.D. Chicacole 1714
DEC 31 1 December

My dear Anderson
I have written asking him to be so kind as to speak to the Governor, requesting him to let my son "William H. Parker" off passing the Middle School Examination, previous to getting into the Salt Department, in case Mr Blair finds him fitted for it, when he arrives up here, which he expects to do this month.
My son in question foolishly ran away & enlisted in the 6th Oregon Guards, just as I was preparing him for entry into the University College and when out here with the Regt wrote me for assistance & forgiveness but I replied that I would not receive any letter from him for 2 years & then he could write me, when I would

address his regimental authorities
inquiring about him -
His last day & the Adjutant. I was
very glad to find, spoke of him in the
very highest terms, so I at once gave
him his discharge & he is now with
me for the past 3 or 4 months has
been doing hard at Folsville.
I am very well pleased with all I see
of him & fancy his poor folks will be a
good lesson to him through life -
He was through the Appomattox with
his Corps & one of some 3 or 4 only
who was never in the dock last - the
Regt. returning to India with him
are 100 in the last lot -
I hope you are quite well.

Believe me
with apologies for ~~disturbing~~ thanking you
sincerely yours
R. Farrer

Farver used to be kept, still kept by the Rev. Mr. Greenfield, Master of the Salt Commission when he was in charge 2 years but was afterwards removed by Mr. Greenfield and the fact that Mr. Farver during the holidays in 1913, it is necessary for his health to travel abroad during the holidays.
