My dear Burden,

My statement
K. Hammond Raper wants
leave on urgent private affairs
for a month or 20 days -
He has not yet sent in an
off. appln.
Before I left Sachapette
I gave him plenty of money

to do in the way of reading
and it has to work to learn
Latin.

How can I prepare him for
Examination? He goes off almost
directly after he has finished.
He knows nothing and will
not pass at the next session
unless he works steadily and
hard until June.

I consider that I am bound
to do the best for him that
I can and it is of course
very odd that he should
have lost as much as if
he was a regularly admitted

student.

I am inclined to think now
what he said to Miss Kent -
he does not intend to remain
for any length of time. He
said to her that he thought
of staying for two or three
years and then returning to
look after family affairs.
He asked her too whether
he would have to sign any
papers binding himself
to her for any particular
period.

I hope that he does not wish
to make a beginning of going
now.

He does not say why he wants
leave - he writes to me privately -
and one feels a delicacy in
asking him. I have written
to him suggesting that in
consideration of what he
has to do to prepare for his
important appointment
he might forgo
taking leave.
I will send on his application
as soon as received. *

Yours sincerely
Herbert Rice

From

J. F. Price Esquire,
 COLLECTOR OF THE
 Chingleput District.

To

The Honorable R. Davidson Esq.
 Chief Secretary to Government
 Madras.

Sir,

I have the honor to enclose an application from
 Mr. Manaveda Rajah Probationer for the Civil Service
 attached to this District for 20 days casual leave on the
 ground of the serious illness of his uncle.

He has written to me privately that he urgently requires
 this leave.

As I am not aware under what Leave Rules he comes,
 whether I should write to Government direct on the subject or
 through the Board, I am unable to do so and do not feel justified in
 allowing Mr. Manaveda Rajah to go without previous sanction
 but as he informs me that the necessity for leave is urgent, I
 have deemed it desirable to send his letter on direct.

I have the honor to be,
 Sir,
 Your most obedient servant,
 J. F. Price
