From

THE SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

To

Fort St. George,

The Chief Secretary to Government.

Public Department.

Sir,

I have the honor to recommend for the sanction of the Right Honorable the Governor in Council that two American stoves be purchased for the new Dispensary Hospital. I have personally inspected these stoves and have seen them in working order, and am very favorably impressed by them.

2. The stoves can be obtained of Messrs Baker & Co. at a cost of Rs 150 each, whereas Messrs Simpson & Co. charge for the smallest Duff's range Rs 300, plus Rs 90 for setting it up.

3. Two American stoves with two large detachable in addition, one for boiling rice and the other for making will do all the cooking necessary for the patients, and will come to about half the cost of two Duff's ranges.

4. Favor of early reply is solicited as the amount can be met from the savings of this year in which it is expected there will be a large surplus.
