No. 52. Fort St. George, 8th February, 1881.

From
THE SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
Fort St. George,

To
THE Chief Secretary to Government.
Public Department.

I have the honor to recommend for the sanction of
the Right Honorable the Governor in Council that
two American stoves be purchased for the new Dispensary
Hospital. I have personally inspected these stoves
have seen them in working order, and am very
favorably impressed by them.

2. The stoves can be obtained of Messrs Baker & Co.
at a cost of Rs 150 each, whereas Messrs Simpson & Co.
charge for the smallest Duff's range Rs 300, plus Rs 90
for setting it up.

3. Two American stoves with two large dekhans in
addition, one for boiling rice and the other for water
will do all the cooking necessary for the patients, and will
come to about half the cost of two Duff's ranges.

4. Favor of early reply is solicited as the amount can be
drawn from the savings of this year in which it is expected there
will be a large surplus.

I am, Sir, the honor to be
