To His Excellency the **CURRENT No. 1833-**
Right Honourable
The Governor in Council
Fort St George. **1988**
2

The humble petition of Nagireddi Lakshminipernumallu Naidu late
Sea Customs Superintendent of Portacota,
For the present residing in Paddoo Nair's Pettah, Varadani Street,
Door No 22, Madras.

Most humbly sheweth,

That your petitioner most submissively begs to lay the
following grievance before your Excellency for redressal, humbly
trusting that your Excellency will pardon him for the same, and
grant him the redressal prayed for.

1. That J. H. Lyne Esq. the late Collector of Vizagapatam
sent orders to the Treasury Deputy Collector to inform him that your
petitioner should retire from service. This order the petitioner regrets
to say was sent him from Mysore without the Collector personally
seeing him or examining him, and without any medical certificate
whatever. In a letter No 50 dated 14 February 1881, the Treasury
Deputy Collector communicated the said order of the Collector to your
petitioner telling him to give over charge to his subordinate on the
31st March 1881, and apply for pension. Accordingly he handed
over charge of his office to his subordinate clerk and came to
Vizagapatam.

2. That your petitioner further begs to state that he
has been in Government service for a period of forty years, that
he had been for some time Revenue Ameen in connection with
the Kaminigota jagadani estate, but on the minor's attaining
his majority and taking charge of the estate, his office was abolished.
For seven years after this he was without any employment. He
then went to Madras, and petitioned Government when Government
was pleased to exempt him from the special tests and issued
proceedings that he might be appointed to such posts as Tahsil
Shrivastadar &c. He obtained this order ten years ago, when R. J. Melville
Esq. kindly appointed him to the office he has ever since
held of Portacota Sea Customs Superintendent.

3. That your petitioner further begs to submit that
he has served Government faithfully at all times, and has
discharged his duties to the satisfaction of his superiors, as the
enclosed copies of his testimonials will testify. These testimonials
will also throw light upon the quality of the forty years' service
above referred to. For eleven years he was receiving ten rupees
per mensem as Police Madadgar at Vizagapatam. He was
sent for seven years. Deductions...

eighteen years therefore, the whole period of his service entitling him to superior rate of pension, covers a space of only twenty-two years. If he be allowed to serve three years longer he will be entitled to draw a pension of twenty-five rupees per mensem.

4. Your petitioner has therefore petitioned the Collector to the effect that of retaining him in Government service for a period of three years more, for which an unfavourable reply has been sent him, a copy of which is herein enclosed for your kind perusal.

5. That from the despatch of the Secretary of State for India No 57, dated 3rd August 1872 your honour will observe that such government servants as are strong bodied, and therefore capable of further service may be allowed to serve till they attain the age of sixty. Though fifty-seven years of age, your petitioner begs to state that he enjoys good health, has a strong constitution, and is well fitted for further service. On examining him in person, your Excellency will see how far his statements are correct. If he is required to produce a medical certificate your Excellency may send him to the Civil Surgeon to ascertain his physical fitness as to whether he is capable or not for further service.

6. The petitioner also begs to state that he is poor, has a large family, and has no other means of livelihood. He therefore begs that your Excellency will most generously be pleased to consider his seniority and good character, and allow him to serve Government three years longer.

7. There is an order passed by the Board of Revenue to the effect that if a person serves government in the capacity of Sea Customs Superintendent for a period of five years he may then be appointed to the post of a Tahasildar. Your humble petitioner begs to state that he has served government in this capacity for a period of five years. If however there be no Tahasildar's post vacant, and since the post of Sea Customs Superintendent has been abolished, he most humbly begs that your Excellency will appoint him to the post of Deputy Tahasildar, Tahsil Shrivastidar, or Salt Superintendent of any Tehsil district in the northern districts of the Madras Presidency, so as to allow him to serve government three years longer.

For which act of kindness your petitioner, as in duty bound, shall ever pray.

This is to certify that Nagreddy Lutchmiperrumallu served in this district for the period of 22 years 10 months and 11 days, and that he lost his place on the Estates of Kasimikotta and Mahipatta having been made over to the Proprietor on his attaining his majority in 1863.

Nagreddy Lutchmiperrumallu is stated to have conducted himself well during his incumbency in office.

The bearer Nathreddy Lutchmiperrumallu was formerly Head of Police of Kathapilly - On the introduction of the New Police. He was not successful in obtaining a Submagistrate's appointment, - but was removed as Revenue Ameen to Kasimikotta on a much smaller salary. I should be very glad to see this man promoted. He was a good subordinate when I knew him as Head of Police - and by far the most active and energetic of any.

Most honoured Sir

I am Maquiddi Lakshmanaperumallu
late Sea Customs Superintendent of Pondicherry in the
Vizagapatnam district. I am fifty seven years old and
have served government for twenty seven years. If
therefore I be allowed to serve government three years
longer I shall be entitled to draw a pension of
rupees twenty five per mensem. In spite of the order
of the Secretary of State to the effect that government
servants who have a strong Constitution may
serve government till they attain the age of sixty,
the Treasury Deputy Collector of Vizagapatnam who
bears a grudge towards me told the Collector to order
me to retire from service and take my pension.
Upon this the late Collector of Vizagapatnam J. H.
Gardner has passed an order for my pension telling
me to retire from service on the 31st March.
This was done without any application having
been made by me for pension. I am sorry to
say that this order was passed by the Collector.

There will be any
explanation of the letter
but the man is certainly as
kind & trying as could be.

without his ascertaining my physical fitness for
service and without any medical certificate whatever.
I then gave over charge to my subordinate clerk
on the 31st March and came to Vizagapatnam and
spoke to the Collector about the order he had passed,
when he said that as the order had been passed already
he could not cancel it.

To your honour was at Vizagapatnam
I paid you a visit personally and made known the
whole case to you when you said that he force me to
take my pension was wrong, and so you told me
to send in a petition to government. Accordingly
I sent in a petition to government on the 19th July,
and as I had the petition registered, I have the
register - receipt with me. As I received no answer
to that petition, with great inconvenience to myself
both physical and pecuniary I have come to
Madras to pay your honour a visit and speak to
you again about the matter, but to my misfortune
I find that you are at Ootacamund and so write to
your honour and herein enclose a letter of recommendation
that the Rev. J. W. Gordon has sent me, to your honour.
As I am a poor man and have a large family
and as this is my sole means of livelihood,
honoured Sir, I beg of you to allow me to come
