Inspected by the Collector of the
20th December 1880. 1/20/81

On inspecting the treasure I find
that it consists of an ordinary gold
ring & two small & 20 pagodas. These
pagodas are all alike. One face of
them is plain but beaded & the other
stamped with effigies of three idols. One
of the figures is hip-less & armless which
shows that the group is one of gods of the
Jagannad temple, & the Coins are said
to be known as Jagannad pagodas.
They show no date or inscription of any sort.

Under section 9 of the Treasure
Trove act I declare the treasure
to be ownerless.

From

J. Goss Agaire
Colonizing Office

To The Honorable R. Davidson C.S.I.
Chief Secretary to Government
Public Department,
Madras.

Under Rule V of the Notification
about Specimens now issued in
G.O. 7th September 1878 No 1350 I have
the honor to submit Copy of my
Proceedings of this date.

As regards the desirability of
acquiring possession of the Coins
I can say nothing. Though they are
three or four centuries old they seem to be
well known & Government may
be in possession of a sufficient
number of specimens.

I have the honor to be,
Sir,
Your most obedient servant,
