My dear friends

Stoyd and I have just
had a consultation regarding
Mr Apothecary Veroa Muthali
Pillai and the both are of
opinion that should be
made to get him out of the
district. I have heard
stories of him from some
that are quite beyond sus-
picion which distinctly
prove him to be unworthy
employment for his position—

I am not at liberty to give
names but I understand no
doubt whatever of the truth
of what I have heard -
Floyd is quite aware of the
man's unpopularity & has
heard rumours of his mis-
conduct & is of opinion
that we should be well
rid of him. Neither of us
with were his Apothecary
at Maryland & we hope

2/15-16
You may see your way to
showing us of him at
together please me
my dear friend
Yours sincerely
F. W. Webster

I concur with the above
the man is certainly very
unpopular I have heard
many rumours of his mis-
conduct but our enquiring
inquiries have never been

able to get them sniped
I think it would be ad-
visable to remove Vannak
to another district.

It cannot be
a semi-official letter
from the Collector, the
Collector, from which
it is evident that
the apothecary had
a very bad reputation
for morality, and
that, whether he is
reassigned or not,
it will be well to
dismiss the man.
I would submit
that the Surgeon General

that he has
no objection to his
offering the services
of his military staff
in which he holds
the position of a
senior officer - as
suggested by him.
