Feby 13th 1884

2/15-16

My dear friends

Stoyd and I have just
had a consultation regarding
Mr Apothecary Vora Kumbali
Pillai and his brother are of
opinion that should be
made to get him out of the
district. I have heard
stories of him from some
that are quite beyond sus-
picion whole distinctly
prove him to be morally
unfit for his position—

I am not at liberty to give
names but I entertain no
doubt whatever of the truth
of what I have heard -

Thayer is quite aware of the
man's unpopularity & has
heard rumours of his mis-
conduct & is of opinion
that we should be well
rid of him. Neither of us
with knew his Apology
at Manchester & we hope

2/15-16

You may see your way to
bringing us of them all
together please run

my dear friends
Yours sincerely
Foster Webster

I concur with the above
the man is certainly very
unpopular I have heard
many rumours of his mis-
conduct but on making
inquiries have never been

able to get them sacrificed
I think it would be ad-
visable to remove V. namata
to another district.

T. Lyndall.

OFFICE OF SECRETARY-GENERAL

WITH THE GOVERNMENT OF MARRAS.

Port St. George, 18: 3/4 - 18

From THE SURGEON-GENERAL WITH THE GOVERNMENT OF MADRAS,

To
THE CHIEF SECRETARY TO GOVERNMENT
Pohutale DEAR

In G.D. No. 100 dated 2nd October 1926 and
G.O. No. 22nd March 1928. 10th Nov. Government transferred
to assist, Assistant, Metropolitan, Paramahansa to the
Pay Hospital at Hongkong & on the ground that his pro-
posed service was exclusively for the benefit of the
Settlement, and he has not continued to that
place since 1926.

2 The Political Agent and Civil Surgeon are both of opinion that Marambala should be removed from the District, on the ground that he is "incapable, unfit for duty." I am particularly so inclined.

[illegible]

Yours most obedient servant
Wm. Crook

54-337

Regarding the removal of
H. L. Thompson from the
Reg. Hospital, Tokyo.
(With my enclosure)

The Surgeon General with the
Govt of Madras -
Dated 16th February 1880
regarding removal of 1st Class
Asst. Apothecary, Mr. Veerasingh
from the Raj Hospital, Tanjore,
for alleged misconduct.

FOR ORDERS.

Dr. Larned encloses
a semi-official letter
from the Collector, the
Collector, from which
it is evident that
this apothecary has
a very bad reputation
for morality, and
that, whether he is
assigned or not,
it will be well to
remove the man.
I would submit
that the Surgeon General
be

that he has
in which to his
affairs the affairs
of the military
in which he holds
the position of a
senior officer as
suggested by him.
