My dear friends

Myself and I have just
had a consultation regarding
Mr. Apottunay Vora Mulali
Pillai and the both are of
opinion that should be
made to get him out of the
district. I have heard
stories of him from Councils
that are quite beyond sus-
picion whole distinctly
prove him to be morally
unfit for his position—

I am not at liberty to give
names but I entertain no
doubt whatever of the truth
of what I have heard -
Floyd is quite aware of the
man's unpopularity & has
heard rumours of his mis-
conduct & is of opinion
that we should be well
rid of him. Neither of us
with knew his Apothecary
at Mansfield & we hope

2/15-16

You may see your way to
showing us of him at
together please me
my dear friends
Yours sincerely
F. W. Webster

I concur with the above
the man is certainly very
unpopular I have heard
many rumours of his mis-
conduct but on making
inquiries have never been

T. Lyndall.

 Wm. L. Garrison

Dated 16 February 1880

for alleged misconduct.

FOR ORDERS.

WPA

It is to be noted
a deputation letter
from the Collector, the
Collector, from which
it is evident that
this apothecary had
a very bad reputation
for morality, and
that, whether he is
relied on or not,
it will be well to
remove the man.
I would submit
that the Surgeon General
be

that he has
in addition to his
other duties
of the military
in which he holds
the position of a
warrant officer - as
suggested by him.
