My dear Howley

I did not think
of making principles clear
but am quite willing to
do so if it is any con-
venience to you or others.
Today however is the last
business or payette day on
which it could be granted.
You are welcome to intimate
my consent if you think fit

to Macon this afternoon.
I have no time to make a
formal application. My
steamer sails on the 3rd
for Miami.

Yours truly,
