From
The Accountant General,
Madras,
To The Secretary to Government,
Financial Department,
Port Saint George.

Sir,
With reference to Mr Under Secretary
Maclean's Memo. No. 95 dated the 15th January
1881, enquiring whether Mr. Logson, Govern-
ment Meteorologist, has as yet earned any
pension in that capacity, I have the honor to
state that Mr. Logson was appointed to the
post of Superintendent, Meteorological Obser-
vatory, at Madras on 1st April 1867, on an
additional salary of Rs 250 per mensem.
His service in that appointment up to date
amounts to 13 years 9 months and 17 days;
but the appointment does not appear to me
to be one which carries with it any claim to
gratuity or pension. The Secretary of
State, when sanctioning the creation of the
appointment, distinctly stated that the
employment of the new appointment should
not be regarded as giving hereafter any

claim

claim to compensation, (vide para. 2 of
his Despatch embodied in G. O. No. 929
dated the 31st July 1867, Public Department),
and this would in my opinion include a
claim to gratuity or pension.

I have the honor to be
Sir
Your obedient servant

Wm. Account General.
