4 years ago, an individual of the name Vilan left the place for Puanang. He has left near relatives in the village who are perfectly willing to receive him on his return. They are described in detail in the statement sent herewith so as to enable the Straits Government to ascertain whether the two names 'Villan' and 'Vilan' denote the same individual or not.

As regards the other coolies referred to in the Colonial Secretary's letter, the Collector of the North Arcot District was addressed on the subject and in reply he states that he has already been furnished with the said Proceedings of the Madras Government direct and that he will himself submit the necessary information to them.

No 104.

The Honorable the Colonial Secretary
(Singapore)

Sir,

With reference
to your letter No 6322
dated 29th September
1880 desiring to be
informed of the wishes
of this Government
regarding the two
Natives of India who
are inmates of the
Leprosy Asylum at Pulau
Serapih near Penang,
and who are anxious
to return to their
homes, I am directed
in continuation
of my letter No 1610
dated

Yours
The Colonial Secretary
Singapore
To the Colonial Secretary
to Government
Colonial Secretary
Read 31 January 1881
No 1181
No 4.
Submitting copy of
letter from the
Chief of Emigration
Department, informing
that certain
Hindustani laborers
at Penang have been
in this district to
receive him on his
return

dated 27th October 1880,
to report as follows:-

2. As regards Villan,
the District Magistrate
of Tanjong, states that
about 11 years ago a
person named Velan,
but not Villan, quitted
the village of Matkulur
for Penang. This man
left near relatives,
who are willing to receive
him on his return. As
the two names Villan
and Velan indicate
the same person, with
reference to which point
I enclose a list in de-
tail of the relatives
of the latter, this Govt.
have no objection to his
return to the Presidency.

3. As regards Kollap-
pen, the District Ma-
gistrate of a letter dated
states

8/30
states that enquiries have
been made in the village
of Villambalam in the
Mandamash taluk to as-
which he is stated to
have belonged to ascertain
if he has friends or
relatives there. The
villagers are not ac-
quainted with the name,
and the Village Magis-
trate makes an affida-
vit that no such person
has at any time left the
village for Penang. The
return of Kollappen is
not advisable.
