Madras 15 January 1881.

From

A. W. Darlow, Esq.
As Protector of Emigrants
Madras.

To

The Hon. S. Davidson, C. S. I.
Chief Secretary to Government
Public Department
Fort Saint George.

Sir,

I have the honour to acknowledge the Proceedings of the Madras Government No 1737 dated 30 November last, and to submit in reply, copy of a report, with 2 enclosures, No 499 dated 15th Idem called for from Dr. Courau, Emigration Agent for the Mauritius, and of a letter No 192 of the 22nd Idem from Surgeon Major Thompson, Medical Inspector of Emigrants, Madras, concurring in the view taken by Dr. Courau in his rather lengthy report.

2. I agree with Dr. Thompson in holding for the reasons stated, (1) "that the emigrant Gante Ramasamy is still at work at the Mauritius" and "that the man is not blind" also (2) that he was not blind from "opacity of the cornea" when sent to the Mauritius.

in 1879 (vide para 5 of Dr. Coman's letter No 499).

3. It is further clear from the records that G. Ramasamy was not sent back to India as an "invalid" in 1875, but as an ordinary return emigrant, vide para 4 of Dr. Coman's letter above quoted.

4. The Mauritius Government seems to be under some misapprehension and I consider that no blame attaches to the Emigration Department here.

I have the honour to be

Yours most obedient servant

agree with this Govt. that
there has been some mis-
