Sir,

I have the honour to report the receipt from Nellore of the 20 coins referred to in G.O. No 82 of 26th January 1881.

2. They are in excellent preservation and weigh on an average, about 52.7 grains or nearly the same as the Star pagoda.

3. They are all of one kind and belong to the type called the Old Madras Pagoda, which has figures of Venkateswara and his wives Mangama and Alamelu on the obverse, and small dots on the reverse which is somewhat common.

4. We have several of these coins in the Museum but as genuine ones are growing scarce it might be desirable to keep say 5 in the Museum for sale or exchange.

S

I have the honor to be,

Sir,

Your most Obedient Servant

Lidie Muf Surgeon Major,

Superintendent Govt Central
Museum.
