Sanitary—Reports and Returns.

I am directed, in continuation of this office letter, No. 1965-S.C., dated the 11th October 1880, to forward the accompanying copy of a despatch from Her Majesty's Secretary of State for India, and to inform you that the Government of India are pleased to sanction the discontinuance of the Medical and Sanitary Report of the Native Army in Bengal.

No. 200-C.

Copy of the above, and of its enclosure, forwarded to the Secretary to the Government of Fort St. George, Military Department, for the information of His Excellency the Governor in Council with a request that, should His Excellency see no objection, the report on the Native Army of the Madras Presidency may similarly be discontinued.

(Signed) W. J. B. BIRD, Lieutenant,
Offg. Asst. Secy. to the Govt. of India.

From the Right Honorable the MARQUIS OF HARTINGTON, Her Majesty's Secretary of State for India, to His Excellency the Most Honorable the Governor-General of India in Council; dated India Office, London, the 9th December 1880, No. 174. (Statistics and Commerce.)

With reference to para. 13 of your letter of the 18th of October last, No. 444 (Military), I have no objection to the discontinuance of the Medical and Sanitary Report of the Native Army of Bengal, on the understanding that the information hitherto furnished therein will be embodied in the report of the Sanitary Commissioner with your Government.

2. I would suggest, however, that, if this change be carried out, a similar step should, unless you see any objection, be taken with regard to the reports for Madras and Bombay also.
