It appeared to be
of much importance
that this Res. should
be forwarded to
the Secy. of State
by the outgoing
mail. The paper
has been a long
time in reaching
you. The ordinary

Chief Secretary's enquiry
dated 26. 1-81 as to cause

of delay in despatch of
Despatch No 1755 dated 23rd
December 1880.

The M.S. was marked
for Press on date of issue
which was the day before
the Census holidays commenced.

First proof was sent up
on 8th Jan 81 or the 3rd day
after work recommenced.
Four revisions were needed.
The last proof being received
on evening of 20th idem. The
Poysol holidays took place
during this period and
interfered with office work
generally.

The order was struck
off

off at the end of the work
and signed and despatched
on Monday 24th January.

The paper was practically
a fortnight in the
press which is excessive.
The necessity of so many
revisions in the Depart-
ment during printing
is not apparent. Enquiry
is being made as to the
possibility of remedying
present system.
