Allypore Sir,
I shall feel obliged if you will
arrange for the covers you send to my

consequently cause ^{some} inconvenience.

The Chief Secretary to Government.

Sir, With the view of getting Wholesale Stationers, &c. in England to tender for the supply of the Stationery I have recently advertised for, I have sent copies of the advertisements to several of them. - The cost of advertising in London papers being so expensive. Some of the Stationers have replied, enclosing tenders, samples &c. of

them, a money remittance. I shall have to acknowledge these, but wish to save postage.

I beg therefore to enquire whether you will have the goodness to ^{if there is no objection} permit me, to send my letters to their address to you, to be enclosed in the weekly packet from your Office to the India Office, in order that they may be transmitted thence to their destinations. If permitted, I shall feel obliged for information within what time before each mail my letters should

reach your Office & whether ^{5/3/48} they should be sent open, & for any other particulars that I should observe.

Your most obed^t servant
