CURRENT No. 686

To

The Chief Secretary,
Fort Saint George

Sir

With reference to the School of Arts.
which was sold by me to Government in the year 1879.
I have the honor to state that an Administration Suit
to administer the estate of one Andrew Symes Partridge
has been instituted in the High Court of Justice
London and that I have been made one of the Defen-
dants in my capacity as Executor of William Thomas
Smith Oakes deceased

When the conveyance was prepared in
1879 I handed to the Government Solicitor the entire
Bundle of papers in my possession, and that Officer
on completion of the sale forwarded the Bundle

to your Office where it now lies

The Bundle contains some papers letters &c which are not connected with the title to the School of Arts, but which will be useful to me for my defence in the abovementioned suit. I have the honor to request that these papers may be returned to me.

The Bundle also contains some documents of which I should like to make copies for the same purpose.

I have therefore the honor to request that you will be good enough to forward the Bundle of title deeds to the Government Solicitor with instructions to that Officer to permit me to make copies of same, if he sees no objection; and with instructions to restore to me such of the papers (if any) as he does not consider relevant to the title of the School of Arts.

I have the honor to remain, Sir,

Your Obedient Servant
