Collector's Office

24th March 1931.

From The Acting Collector
of Cuddapah

To The Chief Secretary
to Government

CURRENT No. 646/81

Fort-Saint George

Sir,

I have the honor to represent to Government the necessity of appointing a junior Assistant Collector to this District immediately if one can be spared.

2. Owing to the Census operations the annual settlement of the Taluhs has been considerably delayed this year. Three Taluhs have been settled by the Collector, and two by the Head Assistant Collector in addition to the Canal famabandi. Of necessity therefore both officers will have to be away a good deal from Head

Quarters, and both probably must be often absent at the same time. Moreover the revision of the Village establishments will have to be carried into effect by the settling officers during the jamabandi, and this will add considerably to the work. It is very necessary therefore that there should be an Assistant here to attend to the Treasury business.

3. A junior Assistant of under 6 months standing is what is required.

If an Assistant of longer standing were sent he would displace the Temporary Deputy and would probably have to take charge of the latter's division.

In that case we should be no better off than before, as the number of officers would be the same; whereas, as I have above endeavoured to show, an additional officer is now required

H 39
2

to look after the Treasury work. Moreover the Assistant would have to leave Buddapah for the settlement of his Taluk (Pulivendala) and there might still be no European officer at Head Quarters.

4. It would be a great advantage then if the Government could send a junior Assistant of under 6 months standing until the end of the fasli. If however an officer of such standing cannot be spared, it would be perhaps better, for the reasons above stated, not to send any one.

5. I shall be absent on privilege leave myself during those three months, but I have deemed it right, in the interest of my locum tenens, to bring the matter to the notice of Government.

Have the honor to be
Your most obedient servant

P. K. S. S. S.
As Collector
