7th September 1880

1. I have the honor to acknowledge with thanks, the receipt of an Order from the Government of Madras, No. 818 of the 5th June last, transmitting for my information, with reference to my letter of the 24th March last, a translation of an extract, furnished by the Collector of Tanjore, from the Registry of the last will and testament of Mr Jerome Lageneure in favor of Madame Michelin.

2. The information contained in the above order will be very useful to the parties at whose request I addressed the Government of Madras, in as much as it confirms the existence of the will executed by Lageneure, allusion to which is made in authentic documents here.

3. But the will itself not being forthcoming, the great difficulty in the way of my friends is to establish the identity of the Madame Michelin in whose favor it was executed, neither her Christian nor maiden name being mentioned in the extract from the Registry of the document.

In these circumstances, I venture to again solicit your kind offices in their behalf, and to request that you will have the goodness to cause the Registers of the Civil Status and Registration Departments to be searched with a view to discover

The Assistant Secretary
to the Government of Madras

if possible the christian and maiden names of
Madame Michelin.

It would appear that this lady sent
to Mauritius in 1801 and 1802 respectively two
powers of attorney to a Mr. Antoinette Peron. Reference
is made to these powers of Attorney in certain authentic
deeds on record here, but the original documents are
not forthcoming. They must, however, have been registered
at Tranquebar at the time, and in the entry made
in the books mention is no doubt made of the full
names of Madame Michelin, and of her husband. The
knowledge of the names of the latter would assist in identifying the lady his wife.

Moreover there is reason to believe
that the Curator of Vacant Estates at Tranquebar
had shortly after the death of Mr. Jerome Bazeneuve,
a deputation to be sent in possession of his succession,
and the registers of the Curatelle for the period,
probably show how the estate was subsequently
transferred over to Madame Michelin, in conformity
with the testament executed by Jerome Bazeneuve
in her favor, and it is very likely that in the entries
made in those registers the names of that lady are
given.

I beg to apologize for troubling
you with so many details, but my excuse lies in the
fact that the information sought to be obtained is
of the utmost importance to the parties interested in
the matter.

I need not add that any expenses

incurred in connection with the application now
made will be at once refunded on the amount being
made known to me.

I have the honor to be
Sir,

Your very obedient servant.
