if possible the christian and maiden names of
Madame Michelin.

It would appear that this lady sent
to Mauritius in 1801 and 1802 respectively two
powers of attorney to a Mr. Antoinette Peron. Reference
is made to those powers of Attorney in certain authentic
deeds on record here, but the original documents are
not forthcoming. They must, however, have been registered
at Tranquebar at the time, and in the entry made
in the books mention is no doubt made of the full
names of Madame Michelin, and of her husband. The
knowledge of the names of the latter would assist in identifying the lady's wife.

Moreover there is reason to believe
that the Curator of Vacant Estates at Tranquebar
had shortly after the death of Mr. Jerome Bazenguere,
been sent to be sent in possession of his succession,
and the registers of the Curatelle for the period,
probably show how the estate was subsequently
handed over to Madame Michelin, in conformity
with the testament executed by Jerome Bazenguere
in her favor, and it is very likely that in the entries
made in those registers the names of that lady are
given.

I beg to apologize for troubling
you with so many details, but my cause lies in the
fact that the information sought to be obtained is
of the utmost importance to the parties interested in
the matter.

I need not add that any expenses

incurred in connection with the application now
made will be at once refunded on the amount being
made known to me.

I have the honor to be
Sir,

Your very obedient servant.
