GOVERNMENT GENERAL HOSPITAL,

Steward's Department,

Madras, 16th April 1887.

From

THE SENIOR MEDICAL OFFICER,

GENERAL HOSPITAL,

CURRENT No. 83

Madras.

To

THE Secretary to the Surgeon General
with the Govt of Madras.

SIR,

I have the honor to report that
I have this morning suspended Third
Steward ~~by name~~ of this establishment.
I recommend his dismissal.

On the 14th instant six ounces
of brandy were ordered for a man,
who died almost immediately afterwards.
On inquiry it was found that the
brand had been entered in the Liquor
Account by the Third Steward as issued
whence, according to the statement
of the Nurse, the patient died before
it had been issued for. In expla-
nation ~~the~~ Steward stated, first, that he
had issued the liquor in the ward,
and subsequently that he had issued
it to the Ward Attendant in presence
of the Nurse both having come to
him together for it. Both Nurse and
Ward Attendant deny having received
the liquor or gone for it; and I see
no reason to doubt their statements.

3. I had occasion to find
the *Deutsche* Paper is some time ago for
reporting that he had seen lamps
emptied one morning which were
found in examination to contain
a considerable quantity of oil.

4. I have no objection
in the *Deutsche* and consider his remarks
necessary to the efficiency of the
Stewart's Department.

Yours most obedt. Servt.
