CURRENT No. 835

No 94 Central Museum
20th April 1887

From Robert Sewell Esquire
Madras Civil Service
on Special duty.

To The chief Secretary to Government
&c &c &c

Sir

I have the honour to request that you will kindly inform me whether His Excellency the Governor in Council will have any objection to my removing my Head quarters to Ootacamund. The only reason why I should stay longer in Madras is the necessity for consulting certain books of reference only to be had in the Library of the Central Museum. But I hope before many days to have concluded my examination of these, and then it will be quite immaterial to me where I am employed or whether I carry it on one place or another
