Miscellaneous No. 4007

Proceedings of the Board of Revenue
dated 15 April 1887
CURRENT No. 873.

Read the following letter
from W. A. Hapell Esquire, Officiating
Commissioner of Salt Revenue, to
C. Gibbon Esquire, Acting Secretary to the
Board of Revenue. dated Madras, 8th
April 1887, No. 3150.

The Assistant General
has retrenched my pay as Sub-Collector
of Bellary for the 9th and 10th December
1880 on the ground that I overstayed my
joining time. I proceeded to Gooty with
all possible expedition as soon as I was
informed of the intention of Government
that I should join my permanent appoint-
ment and arrived there on the morning
of the 10th. Mr Knox was then out in
camp.

camp and though I had wired to him from Madras, he was not able to come to Head Quarters till the morning of the 11th when I took charge. I have therefore the honor to request that you will move Government to grant me two days extension of joining time.

2. A letter from the Accountant General is enclosed. I was 4 days in Vizagapatnam waiting for the steamer after I had given over charge. These 4 days according to the plain meaning of Rule 3 proviso 11 should be added to the time allowed by the Accountant General. His ruling is doubtless in accordance with Madras precedent and if it is in accordance with the intention of Government I would respectfully suggest that the wording be altered, since, as it stands at present, it is likely to mislead officers

With reference to your memorandum
on Proceedings of the Board of Revenue
N^o 4001 dated the 13th instant on the
subject of the joining time admissi-
ble to Mr. Happell for proceeding
from Vizagapatam to Bellary, I have the
honor to state that Mr. Happell's
contention that the 4 days which
intervened between his giving over charge
of his Office at Vizagapatam and his sailing
from thence by the steamer should,
under proviso II of the joining time
rules be treated as additional to his
six days for preparation, and not
as this Office held as a portion of
these six days, appears to me to be
