Re MATTHEW DWYER.

The above-named Matthew Dwyer, formerly resided in Ballycohey, County Tipperary, and was the son of a man named Patrick Dwyer.

Prior to the year 1870 he was studying for the Indian Civil Service, and about that year he wrote to his father from London stating that he would leave for India in a few days, since then he has not been heard of. If living he would be entitled to a small sum of money, but as he is believed to be dead, I have had an application made to the Probate Court for a grant of Administration Intestate to his brother Michael Dwyer. Before I can get this grant I must first satisfy the Judge that said Matthew Dwyer is dead. I wrote to the India Office, London, for information, but have been referred to you, will you therefore please let me know if the above-named Matthew Dwyer entered the Uncovenanted Service of the Government of India, if he is still alive, or if dead, the date of his death, and the name of the place where he died or was interred.

The Right Honorable Judge Warren has directed me to make the foregoing inquiries.
