The Surgeon D^{ist} District
In charge of Leprosy Hospital

The Secretary Surgeon General
with the Government of Madras.
Fort Saint George.

Sir

I have the honor to report for the information of the Surgeon General, that one of the four sheds put up for the accommodation of the native male patients of the Leprosy Hospital, by the Public Works Department has fallen down. The other three are in a shaky state, and are not likely to last long, as the posts by which they are supported, and some of the cross connecting beams are quite rotten. I have therefore stopped the repairs to them which was sanctioned by the Surgeon General on the 20th February last, and request you will be good as to ask the Surgeon General to apply for the sanction of Government, to have all the sheds reconstructed as early as possible.

I have the honor to be,

Sir

Your most obed^t servant.

Wm. Brown
