Chief Secretary to Government

Obachanund

Sir,

I have the honor to submit, for the favorable consideration of Government, the claim of my head clerk, S. Appasamy Iyer, for an extra allowance, at the rate of fifty rupees a month, from the date of Major Shaw's giving over charge of his Office to him to that on which I resumed it — that is to say from the 24th to the 27th of last month.

2. A similar application was made by S. Appasamy Iyer shortly after I went home in 1878, and the sanction of Government was accorded in this order, No. 1131, dated the 20th July 1878.

3. Last year, when Major Shaw left this post on two months' leave, he renewed

this application, and the claim of 4. left as money
I was allowed in another order of Government,
No. 517, dated the 6th April 1880. And although the
amount involved in my present request will
not be more than 4 or 5 rupees, it will, I trust
be evident that this request is preferred not
for the sake of the money but for the distinction
— by this indirect recognition of his services —
which it will confer on a most excellent, most
deserving, and most devoted servant of the
State.

I have the honor to be
Sir,

Your most obedient servant

James Fisher, Major M.D.
