My dear Sam

I am sorry to say
that before have decided to
refuse your application for leave -
as I am telling you officially
today.

There is a great number of
~~young~~ officers going on leave -
most of them sick or knocked
up by famine work - and the
rest on private affairs which are consid-
ered more urgent than your own.

Yours truly
H. M. S. 10000

6 CURRENT No. 862.

To the Chief Secretary to
Government.

Sir, Upon my applying to the Accountant-General
to correct the date of the commencement of my
last year's residence in the Civil List, he
replied that he was unable to do so as
the matter was settled by the Govt. order No 636
dated the 26th April 1879, and on my
requesting him again to submit the matter
for the consideration of the Government, he
stated that as he was precluded under the
rules from making any representation of
the kind I should address Government
directly. I have therefore the honor to
request that you will lay the following before
the Government in Council.

Early in 1878 I applied for promotion, but
for some time it was absolutely refused.
During the recess of the Privy Council
I came up to Madras, & renewed my
application detailing the special private
circumstances that necessitated my

v. 4. vol. 3

Index 8

going to England. His application was
however again refused.

The state of my wife's health however
necessitating her leaving the country,
her passage was taken in the P. & O.
Steamer 'Pekin' which left Madras
on the 8th April 1878. I asked for

permission to accompany her, and was
officially informed that no sanction was
required for a Judge leaving India during
the adjournment of his court. Accordingly

sailed in the Pekin, and on arrival at

Suez on the 25th April I received a telegram
from Government granting me 'a year's
leave from the adjournment of the court.'

The leave was published in the Fort-S. George
Gazette of the 30th April 1878.

On my representing from England that my
leave ought not to be antedated Government
sanctioned in G.O. No 1459 dated 27th Sept^r
1878. 15 days Subsidiary leave from the

adjournment of the Sudder Court, ^{7th} and
further to commence at the end of Subsidiary leave
is from 26th March 1878, and upon a subsequent
correspondence as to whether the period from the
26th March to the 8th April should be reckoned as
Subsidiary leave or not so as to come under
active service they stated in Govt. order
No 636 dated 26th April 1879 that they were
not prepared to modify their orders already
passed on the subject. Consequently I
was obliged to return to India at the expiration
of the time stated, extended by order of the
Secretary of State by 14 months -
Now on my return to India I have found the
original letter of the Chief Secretary, by which
it is clear that I was not and could not
be on leave from the 26th March as entered
in the Civil List; I enclose the same for
reference.

I have therefore the honor to request that
the Government in Council will be graciously
pleased to grant an order for the
necessary alterations of date in the Civil List.

Entering my non residence as commencing
from the 26th April 1878. The date of the
order in the Fort St. George Gazette,
up to which date it is clear from
the enclosed letter of the Chief Secretary
that I was not on leave, although
I had 2 or 3 times asked for leave
from the 8th April 1878.

End.
Per.

I must apologise for troubling the Government
with so trifling a matter, but it is obvious
that a subsequent order should not deprive
me of counting as service days which
I actually passed in the country not on leave.

I have the honor to be,

Sir,

Your most obedient servant

J. C. Canjorn.

My dear Mr. Davidson

There is nothing in the
rules to prevent the issue
of an order to the effect that
Mr. Carrington's leave
prolonged commenced
on the 26th April 78.

— We shall then treat
the period prior to

that date as "recess"

It would be well
to cancel the 15 days
subsidiary leave

granted in G.O. No 1454
dated 27 Sep. 78.

Sincerely yours

J. H. Magdon

My dear Cozartown
With reference to the
enclosed papers the
Government con-

sider that Mr. Gar-
gonni's non-residence
should count from the
26 April 1878, the
period from the adjoin-
ment of his Court to
that date being regarded
as recess - as it really
was -

Please tell me if
you will offer any ob-
jection from an account
point of view to an
order in this sense -
