Public DEPARTMENT.

SIR,

With adverstence to para 2 of G. O. N^o. 1304 of 5th July 1880, I have the honor to report for the information of Government that owing to the number of workmen about the ground of the new Sying-in Hospital and untidy state of the Compound, no attempt was made last year to begin garden operations, but now that the scaffolding and working materials have been cleared away, I am anxious that with the sanction of Government the ground should be laid out under Mr. Storey's superintendence, and garden operations commenced. I have therefore the honor to solicit sanction that this may be done, and two gardeners employed on 6 Rs each per mensem.

2 The employment of one gardener has already been sanctioned in G. O. N^o. 1294 of 30th August 1880 for the ground in connection with the Egmore Dispensary attached to the new Sying-in Hospital.

I have the honor to be

SIR,

In reply to your Official Memorandum No. 891 dated the 20th May 1881, I have the honor to state that the discrepancy referred to was owing to the pay of the Superintendent having been shown at Rs. 1250 in the Statement forwarded with G. O. No. 1471 dated 5th October 1880, that being the pay of the permanent incumbent, Surgeon Major W. H. Harris who is on furlough, while in the present Statement the salary of the Acting incumbent was shown. The amount has however been altered in order that it may tally with the previous Statement.

2. The further difference of Rs. 165 was owing to the pay of the 2 Native & 1 Native Pupil at Rs. 10 each, and of the 9 European Pupils at Rs. 15 each, not having been entered in the column of "Present Scale".

The

[NOTE.—This outer docket need only be filled in in the Public and Judicial Departments.]

The mission was not observed by my
Office in checking the column of "Present Scale"
owing to the pay of these subordinates being
entered on a separate page of the Audit
Register and not on the same page as that
on which the pay of the rest of the Estab-
lishment is entered. The mission has
however now been supplied.

I have the honor to be,

Sir,
