PROCEEDINGS OF THE BOARD OF REVENUE, dated 13th December 1880.

Read the following Proceedings of the Madras Government, dated 7th October 1880,  
No. 1,491, Public Department:—

ABSTRACT—*Administration Reports*.—The Sanitary Report for the year 1879 reviewed.

THE attention of all Collectors will be drawn to the remarks of the Sanitary Commissioner regarding the defective registration of vital statistics; they should exert themselves to secure improvement and insist on the examination of the village registers and verification of entries by Tahsildars, Deputy Tahsildars, and Revenue Inspectors directed in Board's Proceedings, dated 13th October 1874, No. 2,973. The Collectors of Ganjam and Madura will report regarding the failure to distinguish Native Christians in the returns.

2. As regards the provision for vaccination in Malabar it is observed that the allotments for the ensuing year are Rs. 3,510 for the Calicut Circle and Rs. 2,100 for Tellicherry against Rs. 2,520 and Rs. 1,900 respectively for the current year. The Sanitary Commissioner has expressed himself satisfied with the grant for the latter Circle, and that for the former will suffice to raise the staff to the standard laid down by the rules. The President of the Local Fund Boards, Malabar, will report with reference to the Sanitary Commissioner's remarks recorded in Board's Proceedings, dated 18th November 1880, No. 1,756, furnishing a statement showing the details of the existing vaccine establishment and of that proposed for the ensuing year, with information as to the distribution of the staff.
