From

Colonel J. Weldon.

Chief Presidency Magistrate
dated 9 August 1887.

Reporting the occurrence
of a serious riot in Mylapore, between
Hindus and Mahomedans.

FOR ORDERS.

Colonel Weldon's
note is dated the 9th
(Tuesday) and relates
to what occurred on
Sunday the 7th. It
was received last
night (12th). No other
intimation has been
received, nor has the
"serious riot" been men-
tioned in the Madras
papers.

I do not think the mention of the
man for falsifying necessary
he is a general C.O. of the
Colonel's letter seems
in direct with the
serious nature of the
riot, but by the Gov. inter-
vention of the Affair.
