I submit Mr Galton's telegram giving his reasons for desiring to have leave instead of undertaking the Panjore District.

If it is decided
that he should not
be appointed
to Tanjore a tele-
gram will have
to go to stop the
publication of
the appoint-
ment in the

Gazette.

It will then
be unnecessary
to put Mr. Arden
del or anyone
else in position
till Mr. Barlow
returns to Har-
bor.

Then either Mr.
C. A. Boyd could
go to Tanjore or
the question of

tled at Council

My dear Master

I received your telegram inform-
ing me of my appointment
to Japan and I intended
to telegraph this morning to
ask that you would write to
- Capt. of the letter before saying
me. The fact is that I have
long been looking forward to
start and change and I feel
that I require and was at the
point of applying for the post.
I have been thinking of it for some

⁶⁸⁸
Add some days from the date
of Bulwer's return on the 15th
June. I could not get my
leave last year on account
of illnesses being placed on
special duty on his return from
England and so I had to have
to bring my leave a second time.
This is my eighth consecutive
hot weather in the plains and
I have had some years to
hard work in the Board's office.
I was strongly advised by Dr.
Laden when I consulted at
Bangalore at Christmas not to
remain through another hot

weather in the plains and I
feel that I require a change
and rest. I am sure the
Gov^t will think I am
anxious to make work in
Tanjore is about the heaviest
district in the Presidency and
if Gov^t could find it possible
to make other arrangements I
should be grateful; if however
this cannot be done I presume
I must stay with them in
kind and believe me I am
in circumstances will admit of
it. I thank you very much
for this.
