Office note from the Examiner
P. H. Accounts, No. 1216, dated 25th
March 1881.

Brings to notice that a sum
of \$894 - 15 - 3, value of some
bricks and roofing tiles sold to
the Superintendent School of
Arts, has now been outstanding
since August 1880 in the stock
purchase and sale account of
the Architect Division, and on
the Consulting Architect being
requested to adjust the item
without delay, replies as follows:

"The Superintendent, School
of Arts, has been frequently called
upon to pay for this and other
amounts and has not as yet done so.

a remark which savours some-
- what of badinage as the

Superintendent School of Arts
is Mr. Fishholm himself, the
Consulting Architect.

2. In addition to the above amounts
the following also remain un-
adjusted by the Superintendent
School of Arts, at end of February
1881.

No 254-7-7 since November 1880

" 323-9-7 do December "

" 441-9-0 do January 1881

3. Requests that stringent orders
may be issued for early adjustment.
