Sir

I beg to report that I started from Madras on board the steamer the S. S. Huzara on Thursday the 21st instant and that I am now in Cuttack being brought there by accident the steam ship not calling at Copulpore on account of bad weather I was there taken to false point. I got down there at 12 noon 26th instant and was ordered by the Commander of that Vessel to wait there for the arrival of the 1st Steamer from Calcutta. I however thinking that I should lose no time in going to the Hill Tracts made arrangements with the Commander for my free passage to Cuttack by the B. I. S. N. Company's agent steam boat and arrived in Cuttack this evening. I start for the Hill Tracts now but cannot say for certain how many days it will take me to reach my Head Quarters and I am prepared to report to your honor as soon as I go there.

By over voyage I had not only to suffer from
want

want of means, but also all my money is exhausted and I have to pledge my vessels on the way for my travelling expenses. Submitting all my present circumstances to your honor's benign consideration I beg that your honor will excuse me for my not having joined my post in time and Condescend to recommend me to the Accountant General to refund my travelling expenses.

I beg to remain, Sir
Your most obedient servant
