To The Chief Secretary to Government
Stone-House - rotacammund.

Sir I have the honor respectfully
request the sanction of Government for
the Copperplates lying in the Madras Museum
being sent to me for examination.
Dr. Bidie has written Demi-officially
informing me that he has no objection.
(Letter enclosed for return. I have had
altogether 174 grants, including those at
the museum, submitted to me; but the
latter have only been sent in imperfect
and confusing copies. And I cannot make
any satisfactory report on them without
the originals. I will of course return them
safely. May I request the favour of an
early reply as I am anxious to complete my
examination of Copperplates, and send
the list to Press?

I have the honor to be
Sir
