TO

The Under Secretary to the Government of Madras,
P. W. Department.

Dated Calcutta, June 9th 1881.

SIR,

I have the honor to acknowledge the
receipt of the publications referred to in Madras Govt
Proceedings No. 693 dated 21st May 1881.

I find that of the selections, Nos. 77-3
(1853) and 73 (1863) to end of the 2nd Series, and Nos. 44 + 53
of the New Series, are still wanting in our set. My former
letter No. 120 dated 6th April 1881, was written under the im-
pression that there were only two series of these selections.
It appears now that there are three, 1st, 2nd, & 3rd Series,
though there is nothing on the title pages of any of the
numbers, excepting the most recent (New Series), to show this.
The list submitted with my letter showed that we had no-
thing of the 2nd Series after No. 72 (1862), and not having

then the first numbers of the New Series, it was not possible
to tell from the dates whether any of the 2nd Series were
missing. If these numbers still wanting in our set
can be supplied, I shall be much obliged.

I have the honor to be

Sir,

Your most obdt. Servant,

W. A. Mead

Superintendent, Geological Survey of India
