Madras, 9th July 1881.

From

THE SENIOR MEDICAL OFFICER,

GENERAL HOSPITAL,

Madras.

To

THE Secretary to the Surgeon General
with the Government of Madras
Madras

SIR,

Referring to your docket no. 4131
of 8th instant, in my indent no
402 of 29th ultimo (herewith return-
ed) I have the honor to inform you
that in consequence of a covered
drain in the south side of this
hospital having been recently
converted into an open drain,
with a sufficient space covered
to allow a carriage to pass over,
(as the drain is across a road),
and as conveyances chiefly with
visitors of patients in the offi-
cers' quarters frequently pass
over at night, it is to prevent
accidents which may be caused
by the open portions of the drain
on either side that it is found
desirable to have a lamp fixed
near the spot.

I may mention that the
drain is so situated by the
side of a block of buildings
that it is not until a turn
is

is made, that the distance
within a few yards of the
turn is known at all.

I have the honor to be
Sir,

Your most obedient servant

W. R. Cornish
