Surgeon, 2nd District,

To

THE Secretary Surgeon General
with the Govt. of Madras
Port Saint George

SIR,

In continuation of my No. 124 of 22nd Instant, I have the honor to enclose true copy of the Accountant General's reply to my No. 107 of 14th June, a copy of which I sent you with my No. 124.

2. I beg the Surgeon General will be so good as obtain the views Government takes of the matter.

3. I feel almost certain that Government in granting me Rs. 400 per mensem for the Health work did not intend that it should in any way interfere with my usual emoluments, to wit, my ordinary Pay & Presidency House rent.

4. If the Accountant General & Pay Examiners are right, then Government have

not allowed me Rs 400 for my "Health" work but only Rs 275. This compared with the Pay of the appointment formerly viz Rs 900, and the allowances drawn by ~~ag~~ incumbents viz Rs 500, is so strikingly incongruous that I feel sure the Accountant General & Pay Examiner are wrong.

5. I therefore beg the matter may be submitted to Government. The work is arduous, responsible, & very exacting in the matter of time and personal attention.

I have the honor to be,
Sir,
Your most Obedient Servant

Sir,
In reply to your letter No 107 dated the 14th June 1881, I have the honor to state that I have referred your case to the Pay Examiner who agrees with me that you are not entitled to house rent, as your aggregate emoluments exceed Rs 1400 a month. Any reference to Government on the subject should be made direct, by you as I am precluded by the rules from making any such references.

I have the honor to be,
Sir,
Your most Obedt. Servt.

W. R. Cornish Esq. F.R.C.S. L.S.B.

Surgeon General with the
Government of Madras.

To

The Chief Secretary to Government
Public Department.

Sir

I have the honor to forward for
the consideration of Government an
appeal by the Surgeon 2nd District, Madras,
against the decision of the Accountant
General in refusing him the house-
rent of his rank on the ground that
his total emoluments including the
duties of the Health office, exceed
Rupees 1400 a month.

I would beg to point out that
the officer lately acting in the ap-
pointment of health officer (Dr Kepp)
enjoyed the use of Government quarters,
and that altho' he drew Rupees
500 a month for this special duty,
beyond the ordinary pay of his
appointment, the Accountant
General.

General did not require him to
pay for his quarters. In this case
I believe no question was raised
about house rent.

3. The duties of health officer are
independent of the appointment
of Surgeon 2nd District. The duty is
of a special nature, involving serious
responsibilities, and necessitating
up keep of horses and carriages
to perform it properly. The salary
sanctioned by Government, Rupees
400 a month, was less than I
had originally proposed, and in
my opinion it should be given
as a special salary for a special
duty, without reference to the
emoluments of the fixed ap-
pointment held by the Medical
officer of the 2nd District.

I have the honor to be

From

OFF. ACCOUNTANT-GENERAL
TO THE GOVERNMENT OF MADRAS,

To

The Chief Secretary to Government
Public Department
Cotacamund.

SIR,

With reference to your Endorsement N^o 1200
dated the 9th July 1881 on a letter from the
Surgeon General with the Government of Madras
requesting that Dr. Roberts, while holding the
appointment of Health Officer in addition to
his duties as Surgeon 2^d District, may not be
deprived of his Presidency House rent, I have
the honor to state, that under G. O. of the Govern-
ment of India N^o 370 of 1867 published at
page 898 b of the Fort Saint George Gazette
dated 20th April 1867, the grant of Presidency
House rent is limited to salaries not exceed-
ing Rs. 1400 per mensem and that as Dr. Roberts
salary for the two appointments exceeds that
sum he cannot, under the ~~proviso~~ ^{proviso} of
Presidency House rent.

2. With reference to para 2 of Dr. Cornish's
letter I would remark that it has not been
the custom to charge Officers situated as Dr. Keas
was

was for their Public Quarters when their
salary exceeds 1400 Rs. but I am of opinion
that upon the analogy of the rule which
forbids the grant of House rent, the charge
should be made in such cases though on a
reference which was made Decr. Officially
to Bengal when Dr. Kees was appointed to
act as Health Officer it was ascertained that
no charge was made in such cases in that
Presidency. - I have the honor to be,
