The Chief Secretary to Government.

Sir.

Surgeon C. McVally, Assistant Physician
General Hospital and Professor of Materia
Medica and Hygiene, having obtained
privilege leave from the 23rd instant, I have
the honor to recommend that Surgeon A. J.
Shurmer, Secretary to the Surgeon General
be appointed to act for Dr McVally with-
out prejudice to his own duties, during
the absence of Dr McVally on privilege
leave -

2. I have to explain for the information of
Government that Dr McVally is taking
leave during the vacation of the Medical
College, when the Professorial duties are
in abeyance, and that the arrangement
proposed will not interfere with Surgeon Shurmer's
ordinary duties, as his visits to the General
Hospital will be made in the early morning
and evening

The Offg Chief Secretary
to Government
Fort St. George.

Sir.

In forwarding Surgeon C. McAlley's
application for Privilege leave, I observed
that, so far as his work as Professor of Materia
Medica and Hygiene was concerned, it would
not be necessary to appoint any one to act for
him as his leave would extend over the period of
the Medical College vacation.

2. In the enclosed letter, the Surgeon General
recommends, with reference to Dr McAlley's
duties in the General Hospital, that Surgeon A. S.
Turner

A. J. Sturges, Secretary to the Surgeon General,
has appointed to act for Dr McChesley, as
Assistant Physician, General Hospital, and
Professor of Materia Medica and Hygiene, without
prejudice to his own duties.

3. As I gathered from the Surgeon General's
letter forwarded with my previous letter to Govern-
ment, that arrangements for the conduct of
Dr McChesley's duties at the General Hospital
could be made without any formal appointment, I
made no recommendation regarding a substitute,
but as Dr Cornish now proposes to appoint a
substitute in view of Dr McChesley's duties at the
Hospital, I beg to recommend that the proposed
appointment of Surgeon A. J. Sturges be approved.

I have the honor to be

I believe that the allowance of P.B. 150.
attached to the Professorship of Hygiene is
not consolidated, but I presume that Surgeon
Sturges's appointment will not affect Dr
McChesley's right to draw the allowance whilst
on leave, but, if so, I would suggest that the
words "and Hygiene" be omitted from the
notification.
