PUBLIC DEPARTMENT.

READ—Replies to G.O., No. 798, dated 17th April 1883.

ORDER—dated 7th July 1884, No. 1510, Public.

In G.O., No. 798, dated 17th April 1883, officers concerned were directed to submit a further report on the working of the system for granting passports and passes to pilgrims proceeding from India to the Hedjaz.

From the reports now before the Government, it is observed that only 5 applications were received from pilgrims proceeding to the Hedjaz from the marginally

noted places, while *niz* returns have been submitted by the District Magistrates of Vizagapatam, Chingleput, Madura, North Arcot, South Canara, Bellary, Anantapur, Nellore, and Ganjam.

3. The reasons assigned for paucity of applications are—

- (1) The poor circumstances of pilgrims, and
- (2) Aversion on the part of pilgrims to appear in public and apply for a passport.

4. The inconvenience of having to make a journey to the head-quarters of District Magistrates for the purpose of obtaining a passport was partly removed by the Government having in G.O., No. 2066, dated 2nd October 1883, authorized all Divisional Magistrates to grant passports under their signature.

5. The Government are, however, not satisfied that this step has afforded sufficient facilities for individuals to obtain passports, and they accordingly resolve to extend the authority referred to in G.O., No. 2066, dated 23rd October 1883, to Tahsildars, the fact being made generally known to the several districts.

Sir,

With reference to the Orders of
Government in the Public Department,
dated 17th April last, No. 798, I have
the honor to report that during the
Pilgrim Season which has just closed
no pilgrims appear to have proceeded
to the Hedjaz direct from any of the
Ports of this District, nor did I receive
any applications for Passports for
such pilgrims.

2. From enquiries made I find
that the number of Pilgrims visiting
the

the Bedjaz from this District is generally very small, and such as go, proceed in the first instance to Bombay as ordinary passengers and thence take their passage to Jeddah through some well-known agent or representative of their Creed at the former place. I have no means, therefore, of judging whether the passport system introduced by the Government of India has found favor with the Mahomedan Community of this District.

3. From the absence of all Complaint on the subject, however, I am disposed to think that the system is not viewed otherwise than with favor.

From

C. A. Galton Esq.
of District Magistrate of Malabar

To

The Hon'ble E. F. Webster
of Chief Secretary to Govt.
Madras.

Sir,

With reference to G. O. dated 17th April
1883 no 798 Public, calling for a report on
the passport system at the end of the
pilgrin season just expired, I have the
honor to state that a single application
only was received although the number
of pilgrims proceeding from this district
to Mecca is considerable. This reluctance
on the part of the Muhammedan com-
munity to avail themselves of the
assistance which the passport system
was intended to afford is attributed
by the Sahildars to aversion on the
part of Mappillas of position to appear
in public and apply for a passport,
especially when females are concerned,
and to the inconvenience caused by

having to undertake a journey to Calicut
to obtain a passport from the District
Magistrate. The latter hindrance to the
success of the passport system has been
partially removed by G.O. dated 22nd Oct 1883
at 2066, Public, under which all Sub-Divisional
Magistrates have been authorised to grant
passports. I see no reason, however, why
all Sub-Magistrates should not be allowed
to grant passports; in fact this appears
to have been the intention of the Govern-
ment of India - vide para 13 of the Resolution
where they desire that instructions be
issued to grant passports at Sub-Divisional
stations and Tahsils and express the opinion
that any officer exercising Magisterial
powers might be authorised to sign such
documents. At para 5 of the Resolution
moreover, it is stated that passports
should be freely given to all applicants
unless there is strong ground for
believing them not to be British subjects
and everything should be done to
facilitate these being obtained by
intending pilgrims without trouble or
cost. So long, therefore, as an applicant
establishes his identity and proves that

99
he is a British subject, there does not
appear to be any ground for refusal
or necessity for the exercise of discretion
and as, in the majority of cases, the
applicants will be personally known to
the Sub-Magistrates, there seems to be
no reason why they should not be
entrusted with the duty. A journey
to the Sub-Divisional Magistrate will entail
some inconvenience and expense and
if the individual is not known to
that officer he will have to prove
his identity, whereas the Sub-Magistrate
on the spot would probably require
no proof and the applicant would be
saved a journey. Tahsildars at any
rate might be invested with the
 requisite powers.
