GOVERNMENT OF MADRAS

3rd Nov. 1894

Dear Mr. Webster

I find that the
pictures in the Bausuetop
Hall are in need of repair.
One frame is completely eaten
by white ants, and all the others
require a certain amount of
repair.

This can hardly be considered
a charge against the Governor's
contract allowances or against
his private purse.

I enclose an estimate from
Messrs. Dechaux & Co. for one
new frame and repairing the

on 2nd

Remandor - Could you
allot funds for this purpose?
If so and with your sanction
I would have the work carried
out at once.

Takohuk it would be well
to have all the pictures re-varnished
with a view to preserving them.
Perhaps if you were to grant
say Rs 1500 for the preservation
of these pictures, the School of
Arts could undertake the
varnishing - the cost of which
cannot be very great.

Believe me
Very truly
Yours
J. S. Moore

Dear Donald,

Please read the enclosed.
I think the charge may reason-
ably be debited to Civil
buildings, roads and services.
Do you concur.

Yours Sincerely,
Edw. F. Webster.

I agree with you
in thinking that the
charge for renewing
and cleaning the
frames of the pictures

in the Banqueting
Hall forms a proper
debit to 46 Civil Service
