To

HIS EXCELLENCY THE RIGHT HONORABLE

THE SECRETARY OF STATE FOR INDIA.

&c. &c. &c. &c. &c.

May it Please Your Excellency

The undersigned members of the Shanar Community of Tinnevely and other places found in the various Districts of the Madras Presidency, beg to present the following lines to Your Excellency's kind consideration with deep reverence and profound respect.

1. That there are in Tinnevely, according to the last census, about 560,000 people belonging to the Shanar race both Christians and Hindus, forming about one-fourth of the whole population of Tinnevely.
2. That these are for the most part landholders; some of them are traders and in all-to-do circumstances, and those who do not possess a landed estate among the said race are comparatively very few. Some of them are engaged in the manufacture of jaggery.
3. That these are honest and hardworking people; and when Christianity was introduced about one-tenth of their number embraced the religion; and there are now among them many Graduates and innumerable under-Graduates of the Madras University, and thereby, it may be seen, that they have made considerable advancement in point of education, civilization and manners.
4. That notwithstanding all these, there are scarcely any of them taken to Government employment either in Judicial, Civil or Revenue Departments, all these having been monopolized by Brahmans and Vellalars (Sudras); the learned among the Shanars being exclusively employed by the Missionaries, who find them efficient hands in whatever capacity they are employed—but their applications to Government posts are wholly unattended to.
5. That not owing to the inefficiency of the Shanar applicants that their applications are neglected; but owing to some prejudice entertained by the European Head Officers under the influence of their subordinates, who are enemies of Shanars and it is nothing but certain that the hands, whom the Missionaries find efficient will likewise be found by the Government, if entertained with responsible posts.
6. That the Mahomedans who were the late rulers of the lands are now freely employed in Government Offices, though they have not passed any examination, as an effect of the Order passed by the Indian Government. Why should not the same privilege be extended to the Shanars, who themselves had been the rulers of the land as Pandiyan Kings of Madura before the Mahomedans?—and that when they are qualified?

Therefore the undersigned pray Your Excellency will be pleased to submit this memorial to Her Majesty the Empress of India, that Her Majesty may command the Governor General in Council of India, to order the Heads of various Government Departments through the Government Gazette, that they may not neglect the applications for Government posts from the qualified among the said race, and that they may employ them freely into the Government Departments both as Christians and landholders of the District, and to exempt, from Government Examinations, as has been done to other caste men, those among them of great experience that they may practice in the various courts as Pleaders and Vakils, as there is only one Pleader in the Munsiff's Court among the said race in the whole of the District, and thereby render justice according to Her Majesty's Proclamation of 1858, to a race, Her Majesty's faithful subjects, and a race, which has been for long time oppressed by their enemies, since the downfall of the Pandiyan Royal family.
