READ—the following paper :—

From the Right Reverend the Bishop, Vice-President, Military Female Orphan Asylum, dated 28th January 1885, No. 61.

ABSTRACT.—Regarding the recent order of Government appointing a Committee to inquire into the working of the asylum.

ORDER—dated 10th February 1885, No. 343, Public.

His Excellency the Governor in Council has no wish to assume any unnecessary authority in the matter of the management of the Military Female Orphan or the Civil Orphan Asylums, but being assured that the condition of neither of these institutions is entirely satisfactory, and having regard amongst other things to the duty imposed on the Government by the necessity of the case and acknowledged in the letter of the Governors of the Military Female Orphan Asylum, No. 238, dated 29th June 1876, printed in G.O., No. 3675, dated 22nd July 1876, he continues of opinion that an enquiry such as that already proposed is essential to their prosperity.

2. There appears to His Excellency in Council no better plan for investigating defects than the appointment of a Committee, but he is willing that the Directors or Governors of both the Asylums should be fully represented on such Committee, and the Presidents of the two institutions will accordingly be requested to nominate such gentlemen as they may think fit to assist the deliberations of the Committee referred to in G.O., dated 20th January 1885, No. 153. It is taken for granted that all parties concerned are anxious for the well being of the asylums.
