THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

Potacamund.

In the year 1848 a medical Scholarship was established in memory of the late Surgeon Thomas Lane, and ever since under the sanction of Government the Lane Scholar has been receiving gratuitous education at the Medical College.

2. By careful management the funds belonging to the Trust have increased to such an extent that the Trustees now see their way to the establishment of a second scholarship, which they propose to give to a lady medical student.

3. At present lady medical students are educated free of charge with the exception of a registration fee of Rupees 5/- per annum, and the Trustees have to request that the Right Honorable the Governor in Council may be pleased to sanction the gratuitous education of the lady Lane Scholar, in addition to that of the male scholar. The stipend paid to the scholars will be at the rate of Rs 35/- per mensem each, and the Capital

of the Trust now amounts to Rs 22,500 invested
in Government papers.

Have the honor to be

Sir,

Your most Obedt. Servant.
