Sir,

I am directed to request that with the permission of His Excellency the Governor in Council you will be good enough to inform the President of the Madras M. ajana Sabha that in reply to the telegram of the 23rd ultimo regarding the constitution of the Right Honble Mr. Gladstone's Committee to enquire into the administration of India the Secretary of State has informed the Government of India that Her Majesty's Government had failed to consider the question as between the appointment of a Royal Commission and a Parliamentary Committee and that in their opinion the second method, which is in conformity with precedent, will be the most effective. They have therefore announced that they will propose a Joint Committee of both Houses of Parliament.

I have the honor to be,

Sir,
Your most Obedt. Servant,

J. C. Dauter
