GOVERNMENT OF INDIA.
DEPARTMENT OF FINANCE AND COMMERCE.

RESOLUTION.

Calcutta, the 31st January 1888.

It has been brought to the notice of the Government of India that officers employed under Government sometimes obtain leave of absence, with the intention of taking up other employment under Government or otherwise, or accept such employment while on leave. When this is done with the previous knowledge and consent of the officer's Departmental superior, the practice is not open to objection. There is reason however to believe that, in the absence of any specific directions, officers are apt to consider it unnecessary to obtain the consent of their immediate superior before accepting employment elsewhere; and as it seems advisable that this practice should be discontinued, the Governor General in Council has prescribed the following rules:—

1.—No Head of an Office should employ, either temporarily or permanently, an officer belonging to another establishment, without the previous consent of the officer on whose establishment he is at the time borne. In cases in which, for reasons which may appear satisfactory to the new employer, such consent cannot be obtained before the officer joins his new appointment, his employment may be made conditional on consent being obtained in due course.

2.—It shall be incumbent upon an officer employed under Government, whether on leave or not, before accepting other employment, either to resign his previous appointment, or to obtain the consent of his Departmental superior to his accepting such employment. If such consent is not obtained, either previously or, when this is not possible, in due course, the officer renders himself liable to be discharged from his previous appointment, and thus to lose the benefit of his previous service for pension.

2. There is nothing in these rules to prevent an officer on one establishment seeking employment on another. But an officer is not placed under any disability by resigning one appointment to take up another (Civil Pension Code, 101, 1); and it must be held to be a breach of discipline, if an officer actually transfers his services to a new employer without first obtaining the consent of his old employer, or definitely resigning his old employment.

ORDERED, that this Resolution be communicated to the several Local Governments, Administrations, and Heads of Departments for information and guidance.

Ordered also, that the Resolution be published in the Gazette of India.

Resolution of the Government of India, Department of Finance and Commerce, dated Calcutta, 31st January 1888, No. 546.

It has been brought to the notice of the Government of India that officers employed under Government sometimes obtain leave of absence, with the intention of taking up other employment under Government or otherwise, or accept such employment while on leave. Where this is done with the previous knowledge and consent of the officer's departmental superior, the practice is not open to objection. There is reason however to believe that, in the absence of any specific directions, officers are apt to consider it unnecessary to obtain the consent of their immediate superior before accepting employment elsewhere; and as it seems advisable that this practice should be discontinued, the Governor-General in Council has prescribed the following rules :—

1.—No Head of an office should employ, either temporarily or permanently, an officer belonging to another establishment, without the previous consent of the officer on whose establishment he is at the time borne. In cases in which, for reasons which may appear satisfactory to the new employer, such consent cannot be obtained before the officer joins his new appointment, his employment may be made conditional on consent being obtained in due course.

2.—It shall be incumbent upon an officer employed under Government, whether on leave or not, before accepting other employment, either to resign his previous appointment, or to obtain the consent of his departmental superior to his accepting such employment. If such consent is not obtained, either previously or, when this is not possible, in due course, the officer renders himself liable to be discharged from his previous appointment, and thus to lose the benefit of his previous service for pension.

2. There is nothing in these rules to prevent an officer on one establishment seeking employment on another. But an officer is not placed under any disability by resigning one appointment to take up another (Civil Pension Code, 101, 1); and it must be held to be a breach of discipline, if an officer actually transfers his services to a new employer without first obtaining the consent of his old employer, or definitely resigning his old employment.
