GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

READ—the following paper :—

Office note from Major C. H. P. CHRISTIE, R.E., Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 7th December 1887, No. 841.

[G.O., No. 2801 W., dated 20th October 1887.]

In proceedings communicated with the Government Order quoted above, it is not clear what is meant by the words "every office." Do they mean every office through which the matter passes; thus, if an Executive Engineer draws up a charge and takes the defence down, then reports to Superintending Engineer, who may report through the Examiner to Chief Engineer, Public Works Department, and the final decision returns in the same way, is it intended that Executive Engineer, Superintending Engineer, Examiner and Chief Engineer, Public Works Department, are all to keep copies? Or do the words mean that the particular office in which the dismissesee is employed is *always* to keep copies. I ask these questions with a view to submitting draft of a standing order incorporating the rule in the Public Works Department Code.

Referred to the Public Department, with reference to the orders in that department, No. 1373, dated 23rd September 1887.
