GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From Surgeon-Major E. F. DRAKE-BROCKMAN, F.R.C.S., Superintendent, Eye Infirmary, Madras, to the Surgeon-General with the Government of Madras, dated Madras, 7th March 1888, No 88.

I have the honor to invite your kind consideration to the following proposal relative to the change of title of this hospital, and request that the sanction of Government be obtained for the adoption of the same.

2. The ambiguousness of the present name "Eye Infirmary" being applied to this institution will make itself quite obvious when it is remembered that similar hospitals in the sister presidencies are known as "Ophthalmic Hospitals," and the Superintendents of such institutions, together with this, are officially designated as "Ophthalmic Surgeons."

3. I beg therefore to propose, with the view of ensuring uniformity and removing the present existing anomaly in nomenclature, that the name of this hospital be changed from "Government Eye Infirmary" to the more appropriate designation of "Government Ophthalmic Hospital."
