Home Department Circular letter, No. 51—2361-68, dated 14th October 1887, to Local Governments and Administrations except Bengal and the North-Western Provinces, enquiring whether any orders had been issued prohibiting the borrowing of money by Covenanted Civil Servants from persons residing, possessing property, or carrying on business within the districts to which such Civil Servants may be appointed.

Resolution—

From the replies to Home Department Circular of the 14th October 1887, it appears that there are no uniform executive orders on the subject of the pecuniary relations of Government officers with persons who are subject to their authority, and as the Regulation VII of 1823 applies only to Covenanted Civil Servants and only to such officers when serving in certain portions of the Bengal Presidency, the Governor-General in Council considers it desirable that definite instructions should now issue with the object of making the liability in this matter of all officers holding civil appointments the same throughout India. The Governor-General in Council is accordingly pleased to direct that the following rules shall be strictly observed in future :—

- (1) All Covenanted Civil Servants, Statutory Civilians, Uncovenanted Officers who hold gazetted appointments and Military Officers in civil employ are prohibited under pain of dismissal from taking loans from, or otherwise placing themselves under pecuniary obligations to, persons subject to the official authority or influence of such Government officers, or residing, possessing property, or carrying on business within the local limits for which such Government officers are appointed.
- (2) This prohibition does not extend to transactions in the ordinary course of business with Joint Stock Banks and British firms.
